

# DAVID LLOYD GYMS

## BESPOKE CONTAINER GYM

David Lloyd required an experienced and capable partner to deliver a large-scale roll out of their 'Battle Boxes' to multiple sites, with a very quick turnaround. BeaverFit have delivered and installed over 27 Battleboxes to David Lloyd Clubs in the UK, from Inverness to the South Coast.

The container gym solutions were custom branded to suit the Battleboxes existing aesthetic to maintain brand consistency across their sites. This multi-functional solution offers a multitude of training areas suitable for group training and strength and conditioning development.

Today, David Lloyd Clubs is one of Europe's largest health, fitness and leisure businesses, operating 130 clubs across 9 countries.

***“THE DAVID LLOYD BATTLEBOX IS AN INNOVATIVE OUTDOOR FITNESS SETUP THAT HAS ALLOWED US TO FURTHER ADVANCE OUR CLIENT OFFERING WITH SMALL TO LARGE GROUP TRAINING.”***
