

SANI RESORT

SHRED SHED

Sani Resort is a group of luxury all inclusive holiday complex, based in Greece and Spain. To suit their unique aesthetic, and offer a uniformed luxury throughout their complex, they approached BeaverFit and Biofit for a bespoke outdoor fitness facility.

The Shred Shed is our most sought after Container Gym solutions for hotels and hospitality. Following on from regular communications, design and development and logistical direction, the BeaverFit team manufactured and installed a bespoke Shred Shed, fully equipped with internal storage elements, external rigging and BeaverFit attachments.

This particular solution was paired with a rig, and colour matched to suit the aesthetic, offering a full 360 solution with further training space.

BENEFITS + FEATURES

- Full attachment and accessory package included
- Easy to relocate
- Galvanised + weatherproofed
- Custom colour options + bespoke branding

Take a look at Sani's bespoke Shred Shed here.

“THE BEAVERFIT TEAM WORKED ALONGSIDE ME ON THE DESIGN OF THREE OUTDOOR GYMS AT THREE DIFFERENT LOCATIONS AROUND THE SANI RESORT IN GREECE LAST SUMMER. FEEDBACK HAS BEEN EXTREMELY POSITIVE ON THE TWO SHRED SHEDS AT SANI CLUB HOTEL AND THE SANI SPORTS CLUB AS THEY PROVIDE WHAT IS EFFECTIVELY A COMPLETE MICRO-GYM EXPERIENCE IN A NATURAL ENVIRONMENT.”

Matt Morley

Founder + Director of Biofit
